To reduce the delay a code may incur in completing the registration process, the identity questions option will generate between two and four questions based on public record data.

You will have 30 seconds to respond to each question. This is an example question.

Help us verify your identity 00:26	* = Required
In which city have you lived? Your answer (select one)*	
 Van Nuys Riverside Oakland Pasadena San Bernardino None of the above 	
CANCEL	NEXT

Notice in this example that the counter has already reached 26 seconds. Select **Next** once you have indicated your answer.

 To avoid answering your security questions due Enter an email address and mobile phone nu Authorize ADP to send you text messages at 	ring your next password reset, you can:
Enter your email address(es) *

Close the browser window. You have completed the registration process, a confirmation email will be sent to the address you used in the process from SecurityServices_NoReply@ADP.com.

You must activate your email address to receive important notifications from ADP or when you request a password reset. Once you completed that activation, you should see a message like this.

Again, you can close the browser window and you have finished all processes for registration.

Here's an example of the emails you may receive below.
