You may have seen the announcement about the Clerk's office winning last year's Annual Cybersecurity Awareness Challenge for large departments. The picture below is from the August 2022 Record Times. Thanks to everyone that participated in that challenge! Now, let's see if we can take home that award again this year!

Pictured above with the Security Challenge Award are (from left to right): Executive Director Nancy Rodriguez, Clerk of the Court Jeff Fine, the Cyber Security mascot fish, Director of Software Services Ron Bitterli, and Chief Technology and Innovation Officer Rich McHattie.
